Students,

Good morning. Hope everyone had a nice weekend. Here we are at the last week of the term. Want to congratulate all graduating seniors this year. I hope everyone had a great year and hope you all have a good summer and good luck to you in the future. Please keep in touch.

If I receive anything this week, I will put out one more weekly announcement next week during Finals Week. If not, I want to wish everyone good luck on finals and hope everyone has a great summer and see you back here in the Fall. Also, you might want to check your email occasionally over the summer, I might send some summer weekly info's or might need to email you directly if anything comes up.
