

Students,

Good morning and welcome to the last week of regular classes for this term. If I have any announcements, I will put out a Finals Week Weekly Info. If not, I want to wish everyone good luck on your finals and final projects. Have a good Spring Break.

Spring Term Registration Phase 1 will be open until Wednesday, March 13 for anyone that hasn't registered yet. Registration will not be available during the day on Thursday, March 14. Phase II starts on Thursday, March 14 at 8:30pm. Therefore, if you still need to register for a class, you can do so at that time and will continue through the weekend. You can check your day and time just as if you did for Phase I, but see Phase II. If you have any questions, please let me know.

OSU Collegiate Farm Bureau Speakers:

They will be having two guest speakers from NRCS tomorrow March 13th 2019 at 7pm in the Crops Building Room 121. The topic of discussion will include; programs, job opportunities, and what their role is within the agriculture industry.

Accelerated Master's Platform (AMP):

We have a program here that you can apply to our MS program during your Junior year. You need to have a 3.25 GPA and have completed at least 105 credits.

The application deadline will be Friday of Finals Week this Winter Term **Friday, March 22**. You apply through the Graduate School website. You will need to make sure you find the AMP application. In addition, you will need a code from myself. You won't be charged an application fee.

How does it work? Successful applicants can apply a maximum of twelve graduate credits taken during their undergraduate senior year to both their undergraduate and master's degrees. Students in this program will complete the same requirements as all MS students in Applied Economics, including choosing an area of concentration. If you have any questions on this, you can talk to me when you come in for Spring Term advising or if you want to schedule, a separate appointment that would be fine.

Job/Internship Posting Information:

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

Job, Internship and Scholarship Opportunities:

Here is the link for jobs and internships. Please check it out.

Job Listings with Farm Aid:

Here is a link for job listings with Farm Aid: <https://www.farmaid.org/about-us/careers/>

That is all I have for now.

Have a good week.

Tjodie
