Students,

Good morning. Hope you had a good Spring Break. I will be updating files and your My Degrees for the next week or so.

**Add/Drop Deadline:**
The last day to add/drop by web will be on Sunday, April 9. Starting next Monday, April 10 if you need to add a class you will need to get an override from the Department offering the course. In addition, on Monday, April 10, any drop from a class will be a withdrawal and tuition reduced.

**Summer Term Registration:**
Summer Term registration begins Monday, April 17. You don’t need a PIN number. If you have any questions, please let me know.

**Graduating Seniors:**
There will be a live event this year, see the link below. It will let you know when you should apply for commencement and when the Grad Fair will be.

**Job/Internship Posting Information:**
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.
Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

That is all I have for now.

Have a good first week.
