Students,

Good morning. Welcome to week 2 already. Hope everyone had a good first week. Here are some announcements for this week. In addition, to let you know the weekly info’s will be on our website, so that you can refer back to them as needed.

**Add/Drop Deadline:**
Starting this week to add a class you will need the Departmental approval and the last day to add a class will be on Sunday, October 9. The last day to drop a class was yesterday, Sunday, October 2. Now if you drop a class, it will become a withdrawal and the W will be on your transcript, but not factored into your GPA. Also, your tuition will be reduced for withdrawing the next two weeks. The last day to withdraw will be at the end of the 7th week and I will send that date out later.

**Undergraduate Lab Printing:**
Just wanted to let everyone know that I still don’t have an answer about printing in our UG lab. I am still waiting to see what our IT support can do. Stay tuned.

**Help us celebrate education abroad!**
The Office of Global Opportunities is excited to announce that our Global Opportunities Fair will be held October 5th in the SEC Plaza. Please help us spread the word that this is a great chance for students to learn about studying or interning abroad and get started on the experience of a lifetime. A PDF version of the poster is also attached for your convenience.

Job/Internship Posting Information:
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

Join us for the 8th annual Agricultural Career Fair & Student Showcase. Whether you want to learn about student research and global opportunities, see what your peers are doing, explore possibilities for your future career, or look for jobs and internships, THIS EVENT IS FOR YOU!

- **CONNECT** with a variety of employers interested in visiting with CAS students including, USDA Natural Resource Conservation Service, Beef Northwest, KWS Seeds, Stahlbush Island Farms, NW Farm Credit Services, and more. Click here for a full list of employers.

- **ENGAGE** - see research posters from College of Agricultural Sciences students and learn how to get involved yourself. Beginning researchers, Continuing research students and summer Branch Experiment Station, URSA research opportunities, CAS Leadership Academy and OSU Global Opportunities!

- **NETWORK:** All majors, undergraduates and grad students welcome! Come and go on your schedule.

  **DATE:** Wednesday, Oct. 19  
  **TIME:** 10 a.m. to 2 p.m. PT  
  **LOCATION:** Memorial Union Ballroom and Horizon Room *In-Person*

**REGISTER FOR THE CAREER FAIR ON HANDSHAKE TODAY**

How Do I Prepare for the Agricultural Career Fair & Student Showcase?

The Career Development Center offers lots of great resources that can help you get ready such as networking tips, career fair advice, resume samples and checklists, same-day resume appointments, an online resume reviewing tool and more at https://career.oregonstate.edu/students

**Openings with the Oregon Wheat Growers**

See this link recruitment info.

That is all I have for now. Have a great week.
Tjodie
