Students,

Good morning. Hope the first week went well. Just a reminder to everyone, I am still working on updating files and your My Degrees. This will be done within the next week or so.

**Add/Drop Deadline:**
This is the second week of adds, so you will need permission from the Department who is offering the course. The deadline for adding will be this Friday, April 14.

Drops are now considered withdrawals and your tuition will be reduced by 50% for this week and Week 3.

**Summer Term Registration:**
Summer Term registration begins Monday, April 17. You don’t need a PIN number. If you have any questions, please let me know.

**Graduating Seniors:**
There will be a live event this year, see the link below. It will let you know when you should apply for commencement and when the Grad Fair will be.

**Job/Internship Posting Information:**
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.
Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

Also, please note that the “Job Board” section of the newsletter is continuously updated, so keep checking it out for updates throughout the month!

That is all I have for now.

Have a good week.
