Students,

Good morning. Hope you had a nice weekend. Here are some announcements for this week.

The add/drop deadline has passed. The only deadline approaching for registration purposes for this term will either be to withdraw from a class or change to S/U grading purposes. The deadline for this is **Friday, November 15**. Withdrawals can be done online just like dropping a class, you will have a W on your transcript, this will not be factored into your GPA. For S/U grade changing you will need a form and my signature. I have forms in my office.
