Students,

Good morning. Hope everyone is doing well. Here are some announcements for this week.

Just to let you all know Winter Term Registration Information coming next week (Week 5). It will be a separate email than the Weekly Info. You can then start to set up your appointments at that time.

**DUO Sign-up:**

[https://is.oregonstate.edu/duo/students](https://is.oregonstate.edu/duo/students)

During fall and winter term, Duo two-step login will become mandatory for all students and recent graduates. We will be rolling out mandatory Duo for students in 5 phases, based on the last digit of your OSU ID number (XXX-XXX-XXX). Mandatory dates for each group are:

- Last digits 0 and 1 - October 23, 2019
- Last digits 2 and 3 - November 6, 2019
- Last digits 4 and 5 - November 20, 2019
- Last digits 6 and 7 - January 29, 2020
- Last digits 8 and 9 - February 12, 2020

You can sign up for Duo now to begin protecting your account - As your mandatory date approaches, you will receive reminder emails from the Duo project team until you sign up.

**Job/Internship Posting Information:**

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Beaver Career Portal Link:**

Here is a link from the College of Agricultural Sciences website about the Beaver Career Portal.
CAS Students - Did you remember to register for upcoming career events? We got fairs. We got workshops. We got webinars. Must be October… The main career/research/learning fair that pertains to you ALL YEAR is the College of Agricultural Sciences Student Showcase & Career Fair on Oct. 24. Great for undergrads and graduates. Come ask these great employers about internships, jobs, volunteer opportunities, research, and career fits – or just come to explore the possibilities and learn in a low-pressure environment. This is also an opportunity to see what your class mates are doing in research and study abroad and to envision possibilities for how you can put your learning into real practice. **Don’t forget to sign up for the free employer networking lunch.** Registration required on that!

Additionally, if you are interested in the natural sciences, environment, and/or fish and wildlife, check out the Natural Sciences Earth & Environmental Fair on Oct 23.

**Internship Opportunity:**
Please see the attached document about an internship with the Leehman Family at the 24 Ranch.

That is all I have for now.

Have a good week.
