Students,

Good morning and hope you had a good weekend. Here are some announcements for this week 4 of the unusual term.

**Fall Registration will begin on Sunday, May 17.** I will send out the information next week during Week 5. At that time, you can start to make your appointments. They will be via Zoom, I will still do this the same way and ask for days and times that work for you. I can also do them by email as well. We will work through this unusual term to do the advising for Fall Term.

**For this term, the withdrawal and S/U dates are different.**

**Last day to withdraw – Week 7 – Friday, May 15**

**Last day to S/U – Week 10 – Friday, June 5** (for this you will still need a form signed by myself. The Registrar’s Office is currently working to get that ready for this term) Stay tuned for more details as I receive them.

**Summer Term Registration:**
Summer Registration to begin this Friday, April 24. You still don’t need a PIN, however, if you have any questions, please let me know.

**Job/Internship Posting Information:**
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.
Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Career Information Listed:**
Here is the link for career information for both of our degrees. Please check it out.
