Students,

Hope you had a good weekend. Here are some announcements for this week. Also, just to let everyone know the Fall Registration schedule is out. I do have Fall PIN's so you can start to schedule your meeting with myself. I will be sending a separate email about Fall Registration next. Fall Registration will begin on Sunday, May 15.

**Last day to change to S/U grading or withdraw from a course:**

The deadline is Friday, May 13. You can withdraw online. To change to S/U grading please see the link below, also please make sure that your forms are in by Noon on that Friday, May 13 to give me time to review them. Thanks.

**CAS Students! Do you have 5-10 minutes to spare?**

This is a great opportunity for you to win a $25 Amazon gift card!

The Academic Programs Office is curious to learn more about what brought you to OSU and the College of Ag Sci. We can use your assistance figuring it out!

Fill out this very short "College and Degree Selection" survey and you will not only help us get some answers; as a token of our appreciation, we will enter your name to win 1 of 10 $25 Amazon Gift cards! You have time until the end of Spring term to complete it.

**Job/Internship Posting Information:**

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.
Trainee Opportunities with NWFCS

As a member-owned financial cooperative, we help business owners in agriculture, forestry and fisheries secure the financing they need to operate and grow, and the crop insurance they need to protect their livelihoods. Our customers are primarily located in Montana, Idaho, Oregon, Washington and Alaska. Northwest FCS is a six-time recipient of the Gallup Exceptional Workplace Award, and the top scoring large company in the Best Place to Work-Inland Northwest competition five years in a row.

- Northwest Farm Credit Services has an opening for a **Credit Officer Trainee in Oregon**. This role is expected to start in June 2022. Credit Officers work with their account teams, and directly with customers, ranging from small operations to vertically-integrated producers, to orchestrate credit strategies designed to help their businesses thrive. Our Credit Officers provide customer solutions by analyzing financial information across business phases and industry cycles.

Credit Officers are expected to develop deep expertise over time. When you join us straight out of college, you’ll enter an extensive training program to jump start this process. Combining designated trainers and interaction with experienced professionals, coupled with customer visits, classroom and virtual learning, networking opportunities and hands-on experience, you’ll be prepared to launch your career at Northwest FCS by the end of our Training Program, which generally lasts for six to eight months.

This role is expected to train in either Salem or Junction City, Oregon, and will be assigned to a career start location based on business needs at the time training is complete (early 2023). The career start location is expected but not guaranteed to be Redmond, Salem, or Junction City. Please take this into consideration before applying. - Northwest Farm Credit Services has an opening for a **Country Home Loan (CHL) Relationship Manager Trainee** in Oregon. This role is expected to start in June 2022.

Northwest FCS Trainees are expected to become experts in their field. When you join us straight out of college, you’ll enter an extensive training program to jump start this process. Combining designated trainers and interaction with experienced professionals, coupled with customer visits, classroom and virtual learning, networking opportunities and hands-on experience, you’ll be prepared to launch your career at Northwest FCS by the end of our Training Program.

CHL Relationship Manager Trainees learn how to make quality credit decisions and market and sell CHL products. Individuals successful in this role enjoy meeting new people and developing and maintaining a
referral network. They also have the ability to learn and utilize analytical skills, provide great customer service, follow through on commitments, collaborate with account team members, and effectively manage multiple concurrent work streams. Following a training period of approximately six to eight months, Trainees are prepared to begin developing business and managing their own portfolio.

This role is expected to train in Junction City, Oregon, and will be assigned to a career start location based on business needs at the time training is complete (early 2023). The career start location is expected but not guaranteed to be Salem or Hillsboro. Please take this into consideration before applying. https://phf.tbe.taleo.net/phf03/ats/careers/v2/viewRequisition?org=FARMCREDIT&cws=43&rid=1940
