Students,

Good morning. Here are some announcements for this week. Hope everyone is doing well. I am sure you probably have had or will have some midterms in the next week. In addition, I will be sending out Spring Term Registration Information today following this email. Spring Registration will begin on **Sunday, February 23**. Please start signing up now to meet with me. I will also be forwarding 3 emails as well.

**Last day to Change to S/U and Withdraw:**
The last day to change grading A-F to S/U and withdraw from a course is **Friday, February 21**. For changing to S/U you will need a form signed by myself. I have the forms in my office. For withdrawing from a course, you can do this online. If any of you have questions on this, please let me know.

**Accelerated Master’s Platform (AMP):**
We have a program here that you can apply to our MS program during your Junior year. You need to have a 3.25 GPA and have completed 105 credits.

The application deadline will be Friday of Finals Week this Winter Term **Friday, March 20**. You apply through the Graduate School website. You will need to make sure you find the AMP application. In addition, you will need a code from myself. You won’t be charged an application fee.

How does it work? Successful applicants can apply a maximum of twelve graduate credits taken during their undergraduate senior year to both their undergraduate and master’s degrees. Students in this program will complete the same requirements as all MS students in Applied Economics, including choosing an area of concentration. If you have any questions on this, you can talk to me when you come in for Spring Term advising or if you want to schedule, a separate appointment that would be fine.
