Students,

Good morning. Happy middle of the term. Winter Term registration to follow.

University Closed – Monday, November 11 for Veteran’s Day

Weekly Info will come out on Tuesday, November 12

Last day to change to S/U grading or withdraw from a course:
The last day to change to S/U grading or withdraw from a course is **Friday, November 15**. You can withdraw online, it would be just like dropping a class, however, it will say withdraw and the W goes on your transcript, this won't calculate into your GPA. For changing to S/U grading you will need my signature on a form. I have forms in my office. The forms get turned into the Registrar's Office.

Internship Presentations for Fall Term:
Here is the schedule for internship presentations this week. You are welcome to attend. The internship presentations will be in our conference room 200C Ballard Extension Hall.

- Last digits 2 and 3 - November 6, 2019
- Last digits 4 and 5 - November 20, 2019
- Last digits 6 and 7 - January 29, 2020
You can sign up for Duo now to begin protecting your account - As your mandatory date approaches, you will receive reminder emails from the Duo project team until you sign up.

**Baccalaureate Core Listening Sessions**

The Faculty Senate Executive Committee and the Office of Undergraduate Education are holding a series of listening sessions for Bacc Core stakeholders: faculty, students, unit supervisors, advisers and other personnel involved with developing, administering and teaching Baccalaureate Core courses. Representatives from the EC, Vice Provost Alix Gitelman’s office and the Faculty Senate Baccalaureate Core Committee will attend each meeting to hear your ideas. From this feedback, as well as research on other current models of general education in higher education, we expect to develop two or three alternative models to bring back to listening sessions before the end of the 2019-2020 academic year.

Nov. 12, 4-6 p.m., (student session), MU 206

For those who cannot attend any listening session, or who have additional comments, there is an opportunity to offer extended commentary and feedback via a Qualtrics survey at [https://oregonstate.qualtrics.com/jfe/form/SV_6tHjtEmUjF7R8p](https://oregonstate.qualtrics.com/jfe/form/SV_6tHjtEmUjF7R8p).

**Job/Internship Posting Information:**

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Internships and Job Opportunities with USDA:**
The US Department of Agriculture’s National Agricultural Statistics Service has job openings. The job will be posted on 11/1 and early applications are required before the positions close. Please see the attached PDF files.

**Farm to School Internship:**
The Corvallis Farm to School program makes connections between our food system and our school system. Our program increases the use of local foods in our schools, encourages children to make healthy eating choices and supports regional farmers. As an intern, you will gain hands-on experience in food, nutrition, and agricultural education, get to work with community volunteers, and assist with promoting local foods for our school district. We provide a wide range of programs, and work with interns to design their experience around their interests.
