Students,

Good morning. Hope you had a good weekend. Here are some announcements for this week. I will be sending a separate email about Fall Registration next. Fall Registration will begin on Sunday, May 16.

**Last day to change to S/U grading:**
The deadline for this is **Tuesday, June 1** (I originally listed this as May 31, since it is a holiday, I receive an email from the Registrar’s Office and this is the new deadline). You do this online. However, if you have holds on your account, you will need a paper copy signed by myself. You can access the paper copy with the link below. The link below will also let you know how to submit the change of grade online. The S/U grade is not factored into your GPA. If you do need a paper copy signed by myself, I would suggest you get those to me by Noon on Friday, May 28, therefore, I would have a chance to sign and get to the Registrar’s Office in time. Thanks.

**Last day to withdraw from a course:**
The deadline for this is **Friday, June 4**. Withdrawals can be done online just like dropping a class, you will have a W on your transcript, this will not be factored into your GPA.

**Summer Term Registration:**
Summer Term registration is currently underway. You don’t need a PIN number. If you have any questions, please let me know.

**Graduating Seniors:**
If you haven’t heard the graduation ceremony will be virtual this year. Please see the link below for more information.

**Internships for the Summer:**
If you are planning to do an internship or projects this Summer. Please remember you need to be in touch with Penny Diebel (ABM/AFBM) at Penelope.diebel@oregonstate.edu or Dave Lewis (EEP) at lewisda@oregonstate.edu to get this approved before you start. An agreement form needs to be completed before you start. They can be found on our Departmental website.

**CAS Students! Are you a member of a CAS Student Club in Corvallis?**
Are you ready to take your leadership experience to the next level for the 2021-2022 academic year?

The College of Agricultural Sciences would like to announce applications for the CAS Club Leadership Team! This team supports all CAS Clubs, plans college events including the CAS Industry Tour, and Ag & Natural Resources Day and more!

**What is the CAS Club Leadership Team?**
The CAS Club Leadership Team serves as a lead and promotional body for student clubs and organizations within the College. CLT members are selected through an application and interview process conducted by a committee of peers and the advisor in order to achieve the goals of the College and its constituents; to facilitate professional development, camaraderie, and communication; to promote student activities and events; and to provide resources and opportunities for all CAS students to connect with and fully engage in the CAS community. Such activities create an environment to foster student and group exploration in the world of agricultural sciences and to engage them in a meaningful college experience at Oregon State University.

**Apply today** to serve as 1 of 5 team members for this coming first year of the CAS Club Leadership Team (2020-2021). **Be a part of college student leadership.** Work with the team advisor to build your skills and learn while leading. Attend workshops, plan learning experiences for clubs, provide resources to strengthen student involvement in clubs!

[Club Leadership Team Application]

**Thursday May 6 – Application Deadline**
May-10-14 Applicant Interviews (via zoom)

May 18 Tuesday- Offers made to selected applicants

May 20 Thursday – New Club Leadership Team announced!

Late May or Summer retreat TBD
“This is an excellent opportunity to be involved in student leadership and improve essential skills in the areas of communication, organization, administration, and teamwork. This is not only an asset to future resumes but provides experience to students involved that will assist them in their careers after higher education.”

“Being involved in CAS leadership brings together peers, clubs, and the entire College of Agricultural Sciences in a way that builds community. You can gain new skills across the board with the support of club membership and direction from administration. CAS club leadership team also provides you the opportunity to network with different industry leaders.”

“Club Leadership Team is an amazing opportunity that OSU offers to allow you to get involved in not only networking skills, but also the opportunity to get to meet a variety of clubs that bring so much insight and uniqueness you might have not interacted with before.”
