Students,

Good morning. Hope you are all doing well. I will be sending out the reminder about Spring Term Registration after this one.

I was away yesterday and will get to all of your emails, please be patience as I work through them. Thank you.

Winter Term Registration is now complete. No more adding, dropping, withdrawing, or changing to S/U all deadlines have passed.

Please encourage students to attend the 13th Annual Nonprofit & Public Service Fair on Wednesday, February 27, 2019 from 11:00 am until 3:00 pm in the MU Ballroom! Students can meet representatives from over 50 local and regional nonprofits and local government agencies (city, county, and state) representing a wide variety of fields who are seeking OSU students for volunteer, internship, and job opportunities. Learn about the ways volunteering and civic engagement advance your leadership and career readiness skills. Network with people who share your interests and passions and learn more about the many opportunities available in the nonprofit and public service fields where you can make a positive social impact.

Registration is also open for students. Students are not required to register for the event but are encouraged so that they receive reminder notifications and updates about the event. Students, please register via Handshake. In addition, there is no dress code.

The Nonprofit & Public Service Fair is sponsored by the Center for Civic Engagement and the Career Development Center. The OSU community, including alumni, and the public are invited to attend! To request accommodations related to disabilities for an event, please contact the CCE at cce@oregonstate.edu or 541-737-3041.

Last minute opportunity has come up for next Friday, March 1. US Forest Service recruiter Jeanna Ramos is going to come to campus to present on federal resumes, stay, and workshop with students on USAJobs.gov. This is a great opportunity! Please promote with applicable students. Students can register here.
Accelerated Master’s Platform (AMP):
We have a program here that you can apply to our MS program during your Junior year. You need to have a 3.25 GPA and have completed at least 105 credits.

The application deadline will be Friday of Finals Week this Winter Term Friday, March 22. You apply through the Graduate School website. You will need to make sure you find the AMP application. In addition, you will need a code from myself. You won’t be charged an application fee.

How does it work? Successful applicants can apply a maximum of twelve graduate credits taken during their undergraduate senior year to both their undergraduate and master’s degrees. Students in this program will complete the same requirements as all MS students in Applied Economics, including choosing an area of concentration. If you have any questions on this, you can talk to me when you come in for Spring Term advising or if you want to schedule, a separate appointment that would be fine.

Job/Internship Posting Information:
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations. Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security,
wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Job, Internship and Scholarship Opportunities:**
Here is the link for jobs and internships. Please check it out.

**OSU Retirement Association Scholarship:**
OSURA has awarded scholarships in the past to CAS students whose focuses were on food science and animal sciences. We hope other students interested in promoting healthy aging will also apply from your college. Below is the notification.

The OSU Retirement Association provides scholarship support to undergraduate students at Oregon State University who are pursuing a course of study that may lead to a career promoting healthy aging. That term includes all aspects of “health” -- physical, emotional, social or financial. Currently enrolled OSU undergraduate students who have completed at least one academic year at OSU, have a cumulative GPA of 3.4 or above, and have at least one year of study remaining towards their first bachelor’s (BA or BS) degree, are encouraged to apply. The scholarship amount may be **up to $2,000 per person** and will be awarded at the OSURA Annual Meeting in May. Funds will be distributed into student accounts for the 2019-2020 academic year.

**The deadline for application is Monday, March 11, 2019.** To apply or for more info, visit [https://osura.oregonstate.edu/osura-scholarship](https://osura.oregonstate.edu/osura-scholarship) or contact Mealoha McFadden at [Mealoha.mcfadden@oregonstate.edu](mailto:Mealoha.mcfadden@oregonstate.edu) or 541-737-6522.
