

Students,

Good morning. Hope you are all doing well. I will be sending out the reminder about Spring Term Registration after this one. I will also have one email to forward.

Winter Term Registration is now complete. No more adding, dropping, withdrawing, or changing to S/U all deadlines have passed.

**OSU ScholarDollars:** Oregon State's new online scholarship search and application system, ScholarDollars, is now accepting applications for more than \$50 million in 2024-25 scholarship funds. OSU students may complete one application to be considered for more than 1,600 campus-based scholarship opportunities. Students are encouraged to submit their ScholarDollars applications between Nov. 1, 2023, and Feb. 29, 2024, to maximize the number of scholarships for which they will be considered. <https://scholarships.oregonstate.edu/scholardollars>.

### **Job/Internship Posting Information:**

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

That is all I have for now.

Have a good week.
