Students,

Welcome to one of the shortest academic week of the year next to Week 0. Hope you are all doing well. Just wanted to let you know that I will send the reminder about Winter Term registration after this. There are no classes this Thursday or Friday. Here are some announcements.

I wish everyone a great Thanksgiving.

Last day to change to S/U grading or withdraw from a course:
The deadline for this has been extended until Tuesday, December 1. Withdrawals can be done online just like dropping a class, you will have a W on your transcript, this will not be factored into your GPA. For S/U grade changing you will need submit the form online and I will sign it from there. Here is the link for how to S/U courses from the Registrar’s Office website.

Launch Academy Class:

Hey AEC students! If you are interested in becoming a student entrepreneur and want to take advantage of the resources here at OSU, here are some to consider from your friends at InnovationX 😊

- If you are interested in starting a business or developing a business idea and you want to talk with someone about it, definitely check out the InnovationX Business Idea Development studio where you can talk with a trained studio consultant about entrepreneurial opportunities and resources on campus! Here is the link to the InnovationX Studio appointment request form!
- Interested in Launch Academy? Launch Academy is a course here at OSU that helps in the creation, evolution and implementation of business ideas and provides students with the resources and support they need to create their business. Here is the link to the application form!
- Finally, if you want to be notified of other InnovationX opportunities going on around campus, definitely make sure to sign up for the Launch Newsletter and never miss out on an entrepreneurial activity or resource!
- If you have any questions about anything business related, feel free to email Maria Kuriyama at kuriyamm@oregonstate.edu

Job/Internship Posting Information:
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.
Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security,
wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources. 

**Miles Ranch Lambing Internship:**
See the attached Word document for more information on this.

**OSU ScholarDollars:** Oregon State’s new online scholarship search and application system, ScholarDollars, is now accepting applications for more than $50 million in 2021-22 scholarship funds. OSU students may complete one application to be considered for more than 1,600 campus-based scholarship opportunities. Students are encouraged to submit their ScholarDollars applications between Nov. 1, 2020, and Feb. 1, 2021, to maximize the number of scholarships for which they will be considered.
