Students,

Good morning. Hope you had a good weekend. Here are some announcements for this week. I will be sending a separate email about Fall Registration next. Fall Registration is currently underway.

The weekly info for next week will be out on Tuesday, June 1. Monday, May 31 is a holiday and the University is closed and no classes.

Last day to change to S/U grading:
The deadline for this is Tuesday, June 1 (I originally listed this as May 31, since it is a holiday, I receive an email from the Registrar’s Office and this is the new deadline). You do this online. However, if you have holds on your account, you will need a paper copy signed by myself. You can access the paper copy with the link below. The link below will also let you know how to submit the change of grade online. The S/U grade is not factored into your GPA. If you do need a paper copy signed by myself, I would suggest you get those to me by Noon on Friday, May 28, therefore, I would have a chance to sign and get to the Registrar’s Office in time. Thanks.

Last day to withdraw from a course:
The deadline for this is Friday, June 4. Withdrawals can be done online just like dropping a class, you will have a W on your transcript, this will not be factored into your GPA.

Summer Term Registration:
Summer Term registration is currently underway. You don't need a PIN number. If you have any questions, please let me know.

Graduating Seniors:
If you haven’t heard the graduation ceremony will be virtual this year. Please see the link below for more information.
https://commencement.oregonstate.edu/

Internships for the Summer:
If you are planning to do an internship or projects this Summer. Please remember you need to be in touch with Penny Diebel (ABM/AFBM) at Penelope.diebel@oregonstate.edu or Dave Lewis (EEP) at lewisda@oregonstate.edu to get this approved before you start. An agreement form needs to be completed before you start. They can be found on our Departmental website.

Job/Internship Posting Information:
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations. Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Peoria Road Farm Stand Job Opportunity:**
Here is some information on a job opportunity at the Peoria Road Farm Stand. Bring resume and availability to 33269 Peoria Road, Corvallis 97333. Several positions open; flexible hours, competitive wages. They need market help which includes cashier, stocking produce. Fast paced environment, need friendly attitude for retail sales. Also looking for waterer of container plants, morning position.

**Bruce Dunn Scholarship**
Bruce Dunn died Aug. 21, 2018, just three months after being elected to the Wallowa County Board of Commissioners. A forester managing RY Timber’s northeastern Oregon land, Bruce spent much of the last 32 years serving on the Wallowa County planning commission, drafting the Wallowa County Nez Perce Tribe Salmon Plan, and chairing the county’s Natural Resource Advisory Committee.

Bruce’s influence ranged far and wide – from private and agency-employed foresters to fish, wildlife and land managers to loggers, reporters and politicians. His fingerprints are on most of the land-use guiding documents used by the board of commissioners today.

A Detroit native and Michigan Tech graduate, Bruce spent his youth summers and his first years after college on his grandfather’s tree farm. When the farm sold Bruce headed west to Idaho to take a job with the U.S. Forest Service. For 50 years he worked in the Intermountain West, for both public land managers and private land owners, as a self-described “dirt forester” – taking his management cues from the forest itself.

To honor Bruce’s dogged tenacity ensuring science-based natural resource management and the professional development of Wallowa County’s future forest, fish and wildlife and range managers, his friends and family created the Bruce Dunn Scholarship Fund.

**To be considered, a student must be**
- A Wallowa County high school graduate
- Enrolled in a school of agriculture, school of forestry or other natural resource-related area of study beyond the high school level

Preference will be given to applicants seriously contemplating a return to Eastern Oregon to work and live and to students with at least college sophomore standing. That is all I have for now.

Have a good week.
Tjodie
