**Job/Internship Posting Information:**
When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations. Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

That is all I have for now.

Have a good week.
