

Students,

Good morning. Here we are at the last week of the term. Want to congratulate all graduating seniors this year. I hope everyone had a great year and hope you all have a good summer and good luck to you in the future. Please keep in touch.

If I receive anything this week, I will put out one more weekly announcement next week during Finals Week. If not, I want to wish everyone good luck on finals and hope everyone has a great summer and see you back here in the Fall. Also, you might want to check your email occasionally over the summer, I might send some summer weekly info's or might need to email you directly if anything comes up.

Please remember if you stored any files on the hard drive of any of the computers in the undergraduate lab; please make sure you transfer them to a jump drive. The computers will have maintenance done on them over the summer.

Internships for the Summer:

If you are planning to do an internship or projects this Summer. Please remember you need to be in touch with Tjodie (ABM) or Dave Lewis (EEP) at lewisda@oregonstate.edu to get this approved before you start. An agreement form needs to be completed before you start. They can be found on our Departmental website.
