Students,

Good morning. Hope that the first week went well.

Weekly Info next week will come out on Tuesday, January 22 as Monday, January 21 is a Holiday and there are no classes.

Add/Drop Deadline:
Starting this week, if you need to add a class you will need to get an override from the Department offering the course. In addition, this is the last week that you can add a class. If you need to drop a class, it will actually be a withdrawal and the W is on your transcript. The W won't be factored into your overall GPA. The final day to withdraw will be at the end of 7th week and I will send more information about that later.

Graduation Application Deadline:
For all seniors who plan to graduate this Winter Term, please apply for graduation online, if you haven't already. A reminder you need to have everything declared. The deadline for this term is this Friday, January 18. If any of you has any questions, please let me know.

LEAP Club Meeting:
The next LEAP Club will be tomorrow, Tuesday, January 15 at 5:30pm in 200C Ballard Extension Hall. Please see the attached flyer for more details.

Summer Program Poitiers, France
The 4-week summer study program based in Poitiers, France (central-west) is taking shape. As with the program I led in June-July 2017, the focus is on the environment. There are two 3-credit courses, one that I teach on human-environment interactions in the region (with agriculture, conservation, biodiversity, and environmental policy field trips and speakers) and one taught by a professor from the Univ. of Poitiers on water pollution and treatment.

In addition, there is a French language class. No prior French language experience required.

While the program's theme is on the environment, all students are welcome.

Please encourage students who might be interested to contact me directly and come to an information session on Thursday, January 24 at 5 pm in Wilkinson Hall Room 203. I have attached a single page flyer that I encourage you to send to your listservs and post in ways that are visible to our students.

Thank you!

Larry Becker
Greetings from the Office of Global Opportunities!

Join us for GO Global – Summer and Beyond! on Tuesday, January 22 from 11:00-1:00 in the MU Horizon Room.

Interested students are invited to drop in for a light lunch and conversations focused on summer opportunities, faculty-led programs, study abroad in general, and international internships. You'll have a chance to mingle among tables where representatives from the Office of Global Opportunities, scholarship and financial aid offices, and several colleges across campus are engaged in sending their students abroad.

If you plan to attend, please complete this quick survey.
If you are curious about international opportunities through OSU, but unable to attend, we invite you to initiate your Getting Started application here.

Thank you and we look forward to connecting with you on Tuesday, January 22!

Library Undergraduate Research Award:
Did library services or collections assist you on a research paper or project? If so, you may be eligible for a Library Undergraduate Research Award with a prize of $1,000. Every year, OSU Libraries and Press recognizes and rewards student scholars with the Library Undergraduate Research Award. This award recognizes students who make use of the OSU Libraries to write papers or complete projects demonstrating outstanding research, scholarship, and originality.

Two awards are offered annually:
- $1,000 award for a research paper or project produced in the arts and/or humanities
- $1,000 award for a research paper or project produced in the social sciences, sciences or engineering

Deadline: January 31
Submit an individual or group project you've completed during the calendar year for a chance to win $1,000. To be eligible, the research paper or project must have been done for an OSU course.

Job/Internship Posting Information:
When conducting your job or internship search, it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations. Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the
resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

**Job, Internship and Scholarship Opportunities:**
Here is the link for jobs and internships. Please check it out.
http://agsci.oregonstate.edu/appliedecon/undergraduate-program/opportunities-employment-internships-scholarships

**CAS Scholarships:**
The 2019-2020 CAS Scholarship Application is now available online in OSU ScholarDollars. The application deadline is February 15, 2019. All students (undergraduate, graduate, and post-bac) are encouraged to apply! http://agsci.oregonstate.edu/scholarships For full consideration for our Department of Applied Economics scholarships, please complete the application link above.

**Please share this funding opportunity with students planning spring 2019 internships**

E.R. Jackman Friends and Alumni continue to generously contribute to the Internship Support Program. This program provides money to undergraduate students in the College of Agricultural Sciences who are participating in volunteer or low-paying internships or internships that have expenses such as travel or special equipment. Please keep this opportunity in mind when advising students. This support should be especially useful for those students in programs, which require an internship.

Attached is the 2018-2019 E. R. Jackman Friends and Alumni Internship Support Program application. Please share this application with all advisors and interested students. Applications for students doing internships during spring term 2019 are due **January 25, 2019**.

Please note: There is additional support from the Global Experiences Fund available to those applying for an ER Jackman Internship experience that is international; preference for support from the Global Experiences Fund will be to highly ranked applicants who are seeking support for their first international experience. Student do not need to provide any additional information with their applications to be considered. We hope awareness of this support for international internships will encourage more international applications.

Please contact Paul Dorres at 737-5655 or Dale Weber at 737-2144 for more information.

**Agribusiness Internship:**
Please see attached flyer entitled Oregon State winter 2019 call for All The Farms:

That is all I have for now.

Have a good week.

Tjodie
