

Students,

Good morning. Hope that everyone is doing well. We are getting closer to the end of the term. Fall Term 2018 Registration is underway. I will send out the Fall Registration information after this email.

Summer Registration is currently underway if you plan to be around OSU this Summer or want to take classes online. You don't need a PIN to register. However, if you have some questions on what classes to take, please remember to check with myself.

Internships for the Summer:

If you are planning to do an internship or projects this Summer. Please remember you need to be in touch with Tjodie (ABM) or Dave Lewis (EEP) at lewisda@oregonstate.edu to get this approved before you start. An agreement form needs to be completed before you start. They can be found on our Departmental website.

Job/Internship Posting Information:

When conducting your job or internship search it is important to be aware of any possible misrepresentations that may exist. Therefore, we encourage you to read the following information so that you avoid any unfortunate situations.

Oregon State University College of Agricultural Sciences (CAS) makes no representation, warranty or guarantee about the positions listed. CAS does not prescreen employment or internship opportunities that are submitted. By using the resources available, you are assuming full responsibility for your safety, security, wages, working conditions, fraudulent, or other aspects of any off-campus employment/internship opportunities that you discover while using CAS resources.

Job, Internship and Scholarship Opportunities:
